Introduction

Poly's portfolio of next generation room solutions—optimised and certified for Zoom—make it easier than ever to bring people together to get things done.

Whether it's talking on the phone, conferencing via video, or sharing content, we're here to help everyone huddle up, talk it out, and move it forward with Zoom.

Poly's audio and video innovations make Zoom communications feel natural and work effortlessly. Poly has a wide portfolio of solutions with Zoom integration, from room video to conference phones—for huddles spaces up to large rooms—and from headsets to desk phones. Make every experience a great one with optimized and joint certified solutions for Zoom Meetings, Zoom Rooms, and Zoom Phone.

Poly Lens Cloud based management platform, allows visibility into modern workspaces across the entire organization, with a spotlight on how devices are being used, so you can efficiently & remotely provision, monitor and troubleshoot from a single pane of glass.

As a Poly Gold Partner, a Zoom Rooms Gold Certified Integrator, proAV is uniquely positioned to assist you on your collaboration journey.

Poly USB Corded Headsets

Entry level range for voice, music and multimedia. Ideal for new UC deployments on a budget

BLACKWIRE 3300 SERIES

- > Features great audio and a modern design
- > Mobile connectivity with USB-A/USB-C with 3.5 mm (BW3315/BW3325)
- > Intuitive inline controls for call answer/end, mute, volume +/-
- > Supports long-wearing comfort with a comfortable, padded headband and soft ear cushions
- > Supported by Zoom

Designed for users with extensive PC communication and ideal for all day use, long conference calls and listening to multimedia

BLACKWIRE 5200 SERIES

- > Connects to PC and Mac via USB-A/USB-C, smartphone, and tablet via 3.5 mm
- > Intuitive inline controls to answer/end calls, control volume, and mute
- > Dynamic EQ feature automatically adjusts audio for voice and multimedia use
- > Supported by Zoom

Premium headset ideal for users working in a distracting open office / home office

BLACKWIRE 8225

- > Flexible, noise-cancelling microphone with Poly Acoustic Fence technology
- > Advanced hybrid active noise cancelling (ANC) with three settings to optimize
- > On-call indicator lets others know when you're on a call
- > USB-A or USB-C connectivity
- > Supported by Zoom

Ideal for use in financial, medical, and government, where Bluetooth® technology is typically banned

SAVI 7300 OFFICE SERIES

- > Two-way connectivity – computer and desk phone
- > Designed to meet the DECT™ Security Step C—the highest security level from DECT™ Forum
- > Up to 2x more density than other DECT™ headsets
- > Noise-cancelling microphone with Poly Acoustic Fence technology
- > Supported by Zoom

Ideal for Enterprise and call center professionals who need to connect to desk phones, PCs, and/or mobile devices

SAVI 8200 OFFICE SERIES

- > Three-way connectivity base – computer, desk phone, and mobile calls
- > Only DECT™ headset with active noise cancelling (Savi 8220)
- > Noise-cancelling microphone with close conversation limiting
- > Convertible option available (Savi 8240/ Savi 8245)
- > Supported by Zoom

Ideal for Enterprise and call center professionals who need to connect to PCs only

SAVI 8200 UC SERIES

- > One-way only connectivity – computer
- > Only DECT™ headset with active noise cancelling (Savi 8220)
- > Compact USB adapter and travel case for portability
- > Noise-cancelling microphone with close conversation limiting
- > Convertible option available (Savi 8240/ Savi 8245)
- > Supported by Zoom

Poly Wireless DECT Headsets

Poly Bluetooth Wireless Headsets

Ideal for Office-based and call centre professionals who require continuous battery life and the ability to move throughout the office

VOYAGER 4245 OFFICE

- > The lightest Bluetooth headset for contact centre use
- > Three wearing options in a single SKU
- > Wireless range up to 328 ft/100 m
- > Continuous battery life*
- > Noise-cancelling microphone
- > Supported by Zoom

Ideal for Mobile professionals who need a discreet, portable bluetooth headset

VOYAGER 5200 UC

- > All-day comfort, discreet wearing style
- > Clear and professional communication
- > Connect to your PC/Mac with the USB adapter or mobile phone with Bluetooth
- > Portable charging case for powering up anytime, anywhere
- > Supported by Zoom

Ideal for Office and remote professionals who need a comfortable Bluetooth neckband headset with earbuds

VOYAGER FOCUS UC

- > Boomless design features four omnidirectional microphones and active noise cancelling (ANC)
- > Comfort-fit earbuds deliver hi-fi stereo
- > Neckband vibrates to alert you to incoming calls
- > Pairs with up to eight devices and connects to two simultaneously
- > Supported by Zoom

Ideal for professionals on calls all day in noisy home or office environments

VOYAGER FOCUS 2 OFFICE

- > Three levels of Advanced Digital Hybrid Active Noise Canceling (ANC)
- > Advanced multiple microphone noise cancelling with Acoustic Fence technology in a discreet boom
- > Stereo sound for calls and media/music.
- > Dynamic Mute Alert senses and tells you when talking while muted
- > Available with our without charge stand

Professionals on calls all day in noisy office environments that are looking for connection to desk phones

VOYAGER FOCUS 2 UC

- > Three levels of Advanced Digital Hybrid Active Noise Canceling (ANC)
- > Advanced multiple microphone noise cancelling with Acoustic Fence technology in a discreet boom
- > Stereo sound for calls and media/music.
- > Dynamic Mute Alert senses and tells you when talking while muted
- > Available with our without charge stand

Ideal for office and remote professionals who need a comfortable Bluetooth neckband headset with earbuds

VOYAGER 6200 UC

- > Boomless design features four omnidirectional microphones and active noise cancelling (ANC)
- > Comfort-fit earbuds deliver hi-fi stereo
- > Neckband vibrates to alert you to incoming calls
- > Pairs with up to eight devices and connects to two simultaneously

Ideal for professionals who work in distracting environments, on the go or in the office/home office

VOYAGER 8200 UC

- > Boomless, dual-paired, omnidirectional microphones with enhanced digital signal processing (DSP)
- > Dual-mode active noise cancelling (ANC) lets you choose your preferred noise-reduction level
- > Smart sensors route, auto-answer, and auto-mute calls

Poly Management Tools

Challenge

Deployment

- > Inconsistent
- > Unreliable
- > Technically difficult
- > Not scalable

Management

- > Lack of control
- > Security concerns
- > Inventory visibility

Monitoring

- > Reactive response
- > Quality of experience

Insights

- > Lack of visibility into rooms, spaces, how tech is used, health and safety
- > ROI/TCO

Impact

Low adoption rate = lower UC ROI

Facilities Costs Rise

IT resources drained

Solutions

Deployment

- > Easy onboarding
- > Bulk profile provisioning

Management

- > Access control
- > Software update
- > Real-time settings
- > Inventory

Monitoring

- > Active quality monitoring
- > Max uptime
- > Proactive troubleshooting

Insights

- > Complete investment visibility
- > ROI/TCO insights
- > Health and safety

INTRODUCING POLY LENS

- > A cloud service that delivers device insights and management vital to optimizing workplace experiences
- > A single pane of glass to help manage all your Poly devices
- > News feeds highlight areas of interest like device health and usage trends, and available software updates
- > Frictionless device onboarding for thousands without heavy technical support
- > Easy device configuration, ensuring consistency for end users while lowering IT help tickets
- > Centralized control of software across multiple locations limits need for IT travel or local experts
- > Active monitoring of device health for maximum uptime improves operations and user satisfaction

Poly Lens Desktop

Make the most of your meetings with Poly Lens Desktop. A single app for customising your personal devices to how you work, whether that's in the home or office. Staying up to date with the latest software is easy as a click, now, or when it suits your schedule. With built-in, customisable health and wellness reminders, you'll feel better throughout the workday staying hydrated and active. Staying on-task is easier when you mask distractions with our focus audio. Rest easy knowing that help is no more than a click away with guides and contact information. [®]

Benefits:

- > Customise your personal device to meet your collaborative needs and workstyle
- > Accept built-in notices letting you know when an update is available and ready for install
- > Customisable reminders that make sure you get the hydration and breaks you need to stay productive
- > Get more done throughout your day while minimising common distractions found in the home or office setting with focus audio
- > With built-in self-help guides, support information, and troubleshooting tools you'll minimise disruption to your workday
